

SEASON HIGHLIGHT DVD

Each year, the St Charles North Football Boosters sponsor videotape coverage of all Varsity and Sophomore and select Freshman A and B games through our video production partner, Kaus Photography Video. The Varsity and Sophomore games are videotaped from the press box and include play-by-play coverage.

Game tapes are used by the coaches for evaluating performance, are an excellent coaching tool for individual players, and can also be used in the college recruiting process. The high quality tapes are digitally recorded and duplicated on DVD format and are normally available for pick-up at practice on the Monday one week after the game.

Kaus Photography Video also creates a Season Highlight Film, which was shown at Awards Night and is available for purchase as well. This is an outstanding keepsake of the season and is professionally produced with color commentary, music, graphics and special effects.

Please use this form to order your 2009 Season Highlight DVD. Please complete the form, enclose a check made payable to St Charles North Football Boosters, and send it Maureen McGushin, 4N416 Robert Frost Circle, St Charles, IL 60175. Please write "game dvd" on the face of the envelope. Orders will be taken until December 1, 2009.
